

April 2007

Charlotte Klein Dance Centers Parents Association News:

On April 1st we sponsored a bus trip to New York City to see “A Chorus Line”. Charlotte’s granddaughter, Alisan Porter was in the show as “Bebe” and everyone enjoyed seeing her perform. The trip was a one day event with enough time before the show to have lunch in New York to see a little of the city. The show was excellent and everyone had a chance to speak with some of the cast including Alisan. A wonderful time was had by all. Since the first bus was sold out we arranged another trip which will take place on April, 22.

Recitals are just around the corner and the Parents Association will be sponsoring a pre-recital sale on April, 28th from 8:30-12:00 at 1110 Pleasant St/ If you would like to purchase a Charlotte Klein jacket or sweatshirt to have in time for recital orders will be taken at the sale. We will also have sweatshirts, CKDC teddy bears and backpacks available on the 28th. We hope that you will stop by and take a look.

Our last competition was at the American Dance Awards which was held April 14 and 15 at the DCU Center in Worcester. The parents and teachers were all very proud of the accomplishments of the 100 plus students who represented both the Worcester and Westboro studios.

We will hold a special meeting on Tuesday May 22 at 7:15 PM at Worcester Studio B for all parents of Competition students. This will be our final Parents Association meeting for this season and we would like your input for next year.

I hope that everyone has enjoyed this dance season and we look forward to our four excellent recitals.

Sincerely, Deb Contois
President- CKDC Parents Association
