

Letter from the Director:

June 2008

Our busy recital season is over and we were all very pleased with our four recital performances at the beautiful new Hanover Theatre. We hope that you enjoyed the performances of your children and were as proud of them as we all were. Once again we want to thank you for choosing our studios to provide a wonderful dance education for their children.

A week after the recital several of our students participated in a two week Dance Intensive Program. We had two classes each day, Monday through Thursday, (one for each age group) with a different subject each day taught by guest teachers. The faculty taught classes in Ballet, Jazz, Contemporary, Tap and Hip Hop. Our students and some from other studios enjoyed these classes and they responded enthusiastically to the teachers.

The studios will be closed during the month of July for a much needed summer break for Charlotte and Ben and all of our faculty, staff and students. Our two week Summer Dance Camp Program of Dance and Theater classes and Pre School, Fun Dance and Master Classes will begin on August 4, 2008 and end on August 15, 2008 at Quinsigamond Community College when we will present our annual Summer Dance Showcase. (Fall Registration is ongoing by mail or at the Worcester studios during the Summer Program) See class schedules. www.ckdance.com After a one week vacation we will open for the final Fall Registration in both the Worcester and Westborough studios, August 25th to August 28th from 2:00 to 8:00 pm. We will close Labor Day weekend and re-open Tuesday to get ready for the first day of classes, **September 8, 2008**. We look forward to providing our students with another exciting dance year.

In the meantime enjoy a happy and relaxing summer.

Charlotte and Ben Klein, Faculty and Staff
