

Letter from the director:

August 2010

We have had a very exciting year at the Charlotte Klein Dance Centers in Worcester and Westboro. Our recitals, once again, were at the **Hanover Theatre for the Performing Arts**. We hope that you were as proud of your children's performances on stage as we all were. We had 11 dancers who graduated from high school in June and performed in their final recitals. We are very proud of their accomplishments and happy that they are all attending college where most are participating in their college Dance Teams or other dance related activities. Needless to say we are very proud of all of our students, from the Terrific Twos and all of our once a week students, to those who take multiple classes weekly and are in Intermediate and Advanced level classes.

Our two week **Dance Intensive Program** was held in June with a different subject each day. (Ballet, Jazz, Contemporary and Tap) taught by guest teachers. Our **Summer Camp program**, and Individual and Master Classes begin Monday August 2 for 2 weeks ending with an entertaining Dance Showcase to be on the last day, August 13, at the Bancroft School auditorium on Shore Road in Worcester.

Headliners Nationals: Sixty of our competition students attended the Headliners National Competition at the Providence Convention Center in Rhode Island in July competing with students from all over the United States and Canada. Our Dance Company won a \$100000 cash award for the piece "Arizona 1941" which was choreographed by Rachel Rubin. Congratulations to the dancers and to Rachel.

Fall registration Dates: August 23 to 26 from 2:00 to 7:00 PM at both studios.

Our Special Choreography Program is for qualified students who take 4 or more class hours of dance weekly to strengthen their technique and performing skills in order to enter competitions. Their routines are learned outside of regular classes by appointment often on weekends. Students interested in participating in competitions should speak with Charlotte Klein or Christine Carlson who is the associate director of CKDC.

We pledge to continue to provide all of our students an excellent dance education with our outstanding faculty. Our reputation has earned us recognition as the **Best Dance Studio in Worcester**.

I want to personally thank all of our parents for choosing our studios to provide their children with and an excellent dance education.
